BELLARY.			
Budget Estimates of the Bellary, Gooty, and Pennacondah Circles for 1874-75, reviewed and passed, except the last which is returned for revision. In the Bellary Circle, the special grant for roads repeated, and the entertainment of an additional Inspecting Schoolmaster and the establishment of a new Dispensary at Hurpenhully, sanctioned. In the Ghooty Circle, the failure to submit a supplementary Budget, which has resulted in a large increase in the opening balance, considered unsatisfactory; the Revenue Board's remark on the proposal to leave partly made roads and commence new ones approved; and the President requested to submit his opinion on this subject, as well as a report as to the number of boys of a school-going age, &c., to enable Government to decide on the proposal to increase the cost of schools to permit of English being taught. The provision for medical officers at Dispensaries in all the Circles raised by Rupees 35.	1st May. 3rd June.	9-13 38-39	921 1255
——— Government dissatisfied with the administration of the latter two Circles and the Gooty Municipality, and the Collector to report what amount of personal control he exercises, what portions of the Circles he is personally acquainted with, and when last in those parts. The Revenue Board called upon to state their opinion whether any real advantage accrues from Pennacondah being a separate Circle (paragraph 11)	1st May.	9-13	921
——— On consideration of the Revenue Board's views the existing arrangement of Circles not interfered with; but the President to be informed that he should attend more closely in future to the Pennacondah Board's operations ...	23rd July.	215-216	1657
——— The Revenue Board's proposal that, pending the submission of the revised Budget of the Pennacondah Circle, authority may be granted for action being taken on the original budget as revised by them, approved	12th Aug.	61-62	1760
——— The revised Budget of the Pennacondah Circle reviewed and passed. The Provincial Road grant for the item "Public Works Supervision" continued, but for that as "lump grant" withdrawn. Observed that should the Local Board desire to spend a larger sum than Rupees 6,000 for "New Works," the District Engineer should be asked whether he could expend the amount, and if unable, the orders of Government should be taken. The extension of existing avenues disallowed, and every effort to be made of reducing expenditure in maintaing those already planted. The provision for building a new Dispensary at Culliandroog allowed to stand. The appointment of four Inspecting Schoolmasters not objected to; but the Revenue Board's remarks regarding the rates of salary to be considered. Promised that a new Deputy Inspector to be paid from Provincial Services will be appointed on its being shown that there is sufficient work for him.	5th Sept. 20th Oct.	57-58 156-157	2013 2375

Report for 1872-73 reviewed by the Revenue Board. The attention of the Public Works Department called to certain portions of it	29th May.	255-256	1187
Road.—The Local Board informed that the Supplemental Budget including the road from Chingleput to Conjeveram having been passed by Government on the 30th October 1873, their complaint on the 13th November that no expenditure was incurred on the work was premature. The President requested to submit his observations on Colonel Moberly's remarks as to the superior claims of other roads over this	29th Jan.	196-198	156
——— Under the explanation afforded, the opinion of Government expressed that the Local Fund Board correctly appreciated the importance of the road from Chingleput to Conjeveram, regretted that the District Engineer, Colonel Moberly, should have attributed unworthy motives to the Board, and the accusations against the Tahsildar considered to be without foundation	3rd July.	20-21	1453
——— Letter from the District Engineer explaining the difference between the Local Board and himself about the — referred to in above orders. To be considered in the Public Works Department how far Mr. Lowry's "utter ignorance of Tamil" is compatible with efficient service in a Tamil Department	30th July.	271-272	1699
——— With reference to the District Engineer's remark that no portion of the time of the Local Fund Overseer of the Mount Range can be spared to the Local Board for the supervision of the 3½ miles of road which are to be kept in repair by "other agency," Colonel Moberly's attention to be drawn to No. III. of the Local Fund Rules which provides that the Local Petty Establishment will be available for all Local Fund Works	19th Aug.	100-101	1793
——— Before sanctioning the estimate for the — from Karunguly to Therucalikundrum, the Revenue Board's opinion as to its necessity called for with a map showing its position	27th June.	255-256	1427

Result Grants.—The existing practice regarding the payment of — modified only to the extent that the countersigned certifying memoranda should be sent by the Director to the President of the Local Fund Board or Municipality concerned, instead of to the Treasury Officer, to order immediate payment, or hold them in abeyance pending further inquiries into suspected fraud, &c., but not to withhold altogether without the Director's concurrence. The Director's opinion invited on a letter from the President, Tinnevelly Circle, making a proposition regarding the educational inequality in the District, when submitting his recommendations for revising these Rules.	7th July 31st July. 2nd Sept.	40-71 286-217 10-11	1485 1713 Mis.
Road, Great Northern Trunk.—The necessity for a through line of road communication between Madras and Calcutta having been obviated by the opening of rail communication *via* Bombay, as well as by the development of the sea line of traffic, incurring the large expenditure required for the completion of the —, considered inadvisable; and left to Local Fund Boards to deal with the road in such manner as they may deem desirable for the interests of the various Circles through which the line passes	16th Mar.	155	466
Rules.—Copy of the — in force for the conduct of Local Fund operations, and which contain all the information sought, forwarded to the Bombay Government	23rd Jan.	166-168	144
Sanctions for Works.—The attention of Local Fund Boards called, in the Public Works Department, to the fact that want of funds need not postpone the sanction of an estimate if the work is one that is really required, but that sanction should be obtained in anticipation of funds becoming available; and thus a supply of — may be kept up on which budget allotments can be made, a practice preferable to that of calling for estimates after allotments have been made ...	23rd Feb.	169-170	322
Sanitation.—The Sanitary Commissioner informed that the constitution of Municipal and Local Fund Boards precludes Government from adopting his proposal, *viz.*, to point out to those Local Boards that he is the recognized consulting officer on all questions about the preservation of health or the prevention of disease, and that all schemes for the expenditure of money on sanitary objects be submitted to his approval; but that it will be intimated to the Presidents to take advantage of his special knowledge and experience ...	5th Sept.	55-56	2012

Taxation.—The Revenue Board desired to furnish a fuller explanation of their remark, *viz.*, that until a way of making country roads at moderate cost has been devised it will be impossible to give the people a fair return for the tax collected from them under the Local Funds Act	16th Sept.	139-140	2107
——— With reference to their explanation, the Revenue Board to report whether it would be practicable and advisable to set aside 20 per cent. of the annual income of the various Road Funds to be devoted to *bonâ fide* village roads	2nd Dec.	14-15	2687
Tolls.—From the replies received from the several Local Governments, &c., as to what exemptions from tolls should be allowed under Act VIII. of 1851, noticed by the Government of India that this Act has given place to certain local Acts which have worked well and are not inconsistent with Act VIII. of 1851, and considered therefore that it is not expedient to move further in the matter. Remarked, however, that the Act of 1851 empowers the local Government to grant, at their direction, exemption from authorized tolls.	24th Apr.	231-232	770
——— The Revenue Board's opinion on the case put forward by the Collector of Coimbatore, concurred in; *viz.*, that a fee levied for permission to have a right of way through private land in order to evade a river bridge toll is not a rate, tax, or toll within the meaning of Section 74 of the Local Fund Act, and, therefore, the party who collects the same is not punishable under the Act for aiding in the evasion	26th Aug.	177-178	1884
